

### **311.720 Definitions for KRS 311.710 to 311.820 and other laws.**

As used in KRS 311.710 to 311.820, and laws of the Commonwealth unless the context otherwise requires:

- (1) "Abortion" means the use of any means whatsoever to terminate the pregnancy of a woman known to be pregnant with intent to cause fetal death;
- (2) "Accepted medical procedures" means procedures of the type performed in the manner and in a facility with equipment sufficient to meet the standards of medical care which physicians engaged in the same or similar lines of work, would ordinarily exercise and devote to the benefit of their patients;
- (3) "Cabinet" means the Cabinet for Health and Family Services of the Commonwealth of Kentucky;
- (4) "Consent," as used in KRS 311.710 to 311.820 with reference to those who must give their consent, means an informed consent expressed by a written agreement to submit to an abortion on a written form of consent to be promulgated by the secretary for health and family services;
- (5) "Family planning services" means educational, medical, and social services and activities that enable individuals to determine the number and spacing of their children and to select the means by which this may be achieved;
- (6) "Fetus" means a human being from fertilization until birth;
- (7) "Hospital" means those institutions licensed in the Commonwealth of Kentucky pursuant to the provisions of KRS Chapter 216;
- (8) "Human being" means any member of the species homo sapiens from fertilization until death;
- (9) "Medical emergency" means any condition which, on the basis of the physician's good-faith clinical judgment, so complicates the medical condition of a pregnant female as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function;
- (10) "Medical necessity" means a medical condition of a pregnant woman that, in the reasonable judgment of the physician who is attending the woman, so complicates the pregnancy that it necessitates the immediate performance or inducement of an abortion;
- (11) "Partial-birth abortion" means an abortion in which the physician performing the abortion partially vaginally delivers a living fetus before killing the fetus and completing the delivery;
- (12) "Physician" means any person licensed to practice medicine in the Commonwealth or osteopathy pursuant to this chapter;
- (13) "Probable gestational age of the embryo or fetus" means the gestational age that, in the judgment of a physician, is, with reasonable probability, the gestational age of the embryo or fetus at the time that the abortion is planned to be performed;
- (14) "Public agency" means the Commonwealth of Kentucky; any agency, department, entity, or instrumentality thereof; any city, county, agency, department, entity, or instrumentality thereof; or any other political subdivision of the Commonwealth, agency, department, entity, or instrumentality thereof;

- (15) "Vaginally delivers a living fetus before killing the fetus" means deliberately and intentionally delivers into the vagina a living fetus, or a substantial portion thereof, for the purpose of performing a procedure the physician knows will kill the fetus, and kills the fetus; and
- (16) "Viability" means that stage of human development when the life of the unborn child may be continued by natural or life-supportive systems outside the womb of the mother.
