

This Month in Louisville

Hundreds of Babies were Aborted

Apparently, Kentucky now has 2 abortion mills, located in Louisville, the EMW Women's Surgical Center and Planned Parenthood in downtown. The numbers below are from the EMW. (Cars from other states bring women to the EMW, and, one assumes, Planned Parenthood.)

PLEASE POST THIS INFORMATION AND TELL OTHERS, THEY NEED TO KNOW!

Below lists the number of women who went* into the Louisville EMW in March 2020:

March

Tue	Wed	Thu	Fri	Sat
3 17	4 11	5 11	6 33 COVID-19: State of Emergency in KY declared by Gov.	7 24
10 28	11 29 Gov. began promoting Social Distancing and limiting public gatherings	12 16	13 22	14 21 Gov. asked that all elective medical procedures be voluntarily stopped by 5pm on 3/18
17 18	18 27	19 18	20 15	21 9
24 13 3/23-Required all elective medical procedures be canceled	25 12	26 13	27 21 3/27-AG D. Cameron released a statement indicating that abortion providers is in violation of the ban on elective medical procedures.	28 12
31 17	COVID-19 has emphasized that abortion providers do NOT care about women. Note the numbers. "Social Distancing" is not possible in a crowded waiting room. Also, Personal Protective Equipment could be better used by healthcare workers in hospitals to fight COVID-19. The refusal to close proves a lack of care for patients and the community during this difficult time!			

Total Estimated* Abortions for Last Month: 387

Total Estimated* Abortions for 2020 = 1203

If you DON'T want your tax dollars funding abortions, **VOTE PRO-LIFE!**

*Kentucky's 24 hour consent law means that some of the women visit two or more times for one abortion.
