**ELECTIONS MATTER!**

For over 40 years the Kentucky Right to Life PAC has remained a bi-partisan organization. It is a regrettable fact, however, that the two relevant political parties are fundamentally at odds on the issue of protecting innocent human life in principle and in practice.

**Republican Platform:** "...we assert the inherent dignity and sanctity of all human life and affirm that the unborn child has a fundamental individual right to life which cannot be infringed. We support a human life amendment to the Constitution, and we endorse legislation to make clear that the Fourteenth Amendment's protections apply to unborn children."

**Democratic Platform:** "The Democratic Party strongly and unequivocally supports Roe v. Wade and a woman's right to choose a safe and legal abortion, regardless of ability to pay, and we oppose any and all efforts to weaken or undermine that right."
