## Kentucky Right to Life Announces a New Program of the Right to Life Educational Foundation of Kentucky– The Pro-life Legacy Founders Scholarship Fund

Four \$1,000 scholarships for graduating seniors who seek to advance in four academic areas will be awarded this spring and in coming years. The areas of study are:

- Law / Political Science
- Medicine / Healthcare / Nursing
- Education / Media and Communications
- Trade and Technical

The scholarships are given in honor of Margie Montgomery who served as KRLA Executive Director for nearly 50 years, Judge Robert F. Greene, Esq., and Paul J. Kissel (dec.), a Kentucky architect.

The Donald C. Wintersheimer Memorial Scholarship honors this Kentucky Supreme Court Justice who served 24 years. (dec. Feb. 2021). He was the most prolific opinion writer in Kentucky history, averaging over 50 opinions each year. Addia shares from an Opinion he penned regarding a case involving quality of life before the Kentucky Supreme Court, so you may appreciate the merits of the Donald Wintersheimer Memorial Scholarship:

*That reasoning would place the courts in the position of affirming that death, or nonexistence, is preferable to life. The argument that there is a kind of 'quality of life' ethic is without any merit... If logically extended, it could produce a culture that condones the extermination of the weak by the strong or the more powerful.*

**Deadline to apply: May 20, 2021 | For more information, go to: <https://KRLA.org/Scholarships>**

*"Students are 20% of our population, but they are 100% of our future!" – Addia Wuchner*
